STEM EDUCATION & SOFT SKILLS EXPERT

ACKNOWLEDGEMENT

You gave me your TIME,
the most *thoughtful*
gift of all.

WELCOME
TO THE WORLD OF

INNOVATION

INNOVATION & RESEARCH ORGANIZATION

PRESIDENT

PRABHAKAR SINGH

About Us:

- SIETIIE was founded in 2007. We campaigned at the International, Regional, and National level to deliver quality education. Our team is comprised of Principals, Professors, Vice-chancellors, Pro Vice- Chancellors, Educationists, and IIT Directors from over 50+nations participating with a mission to bring change in the system of Education, and be part of the Global Classroom.
- SIETIIE is driven by the conviction that quality education for all is achievable. We recognize our own diversity and knowledge the different ways in which each members can contribute to our work, in pursuit of our shared aims. We foster collaboration, networking and shared learning to strengthen our impact at national and regional levels, and to influence International frameworks.

Mission:

The mission of SIETIIE Innovation & Research Organisation is to educate the youth, and corporate leaders of our country. We do this with a commitment to reform the education system as per the 21st Century. In which we would like to work on STEM and STEM concepts, Teacherpreneurs, Industrial Revolution 4.0, Lego Robotics, Student Centric Education, PSAT, GSAT, K12, Artificial Intelligence, PBL and Psychometric Test, DMIT test for Career counselling.

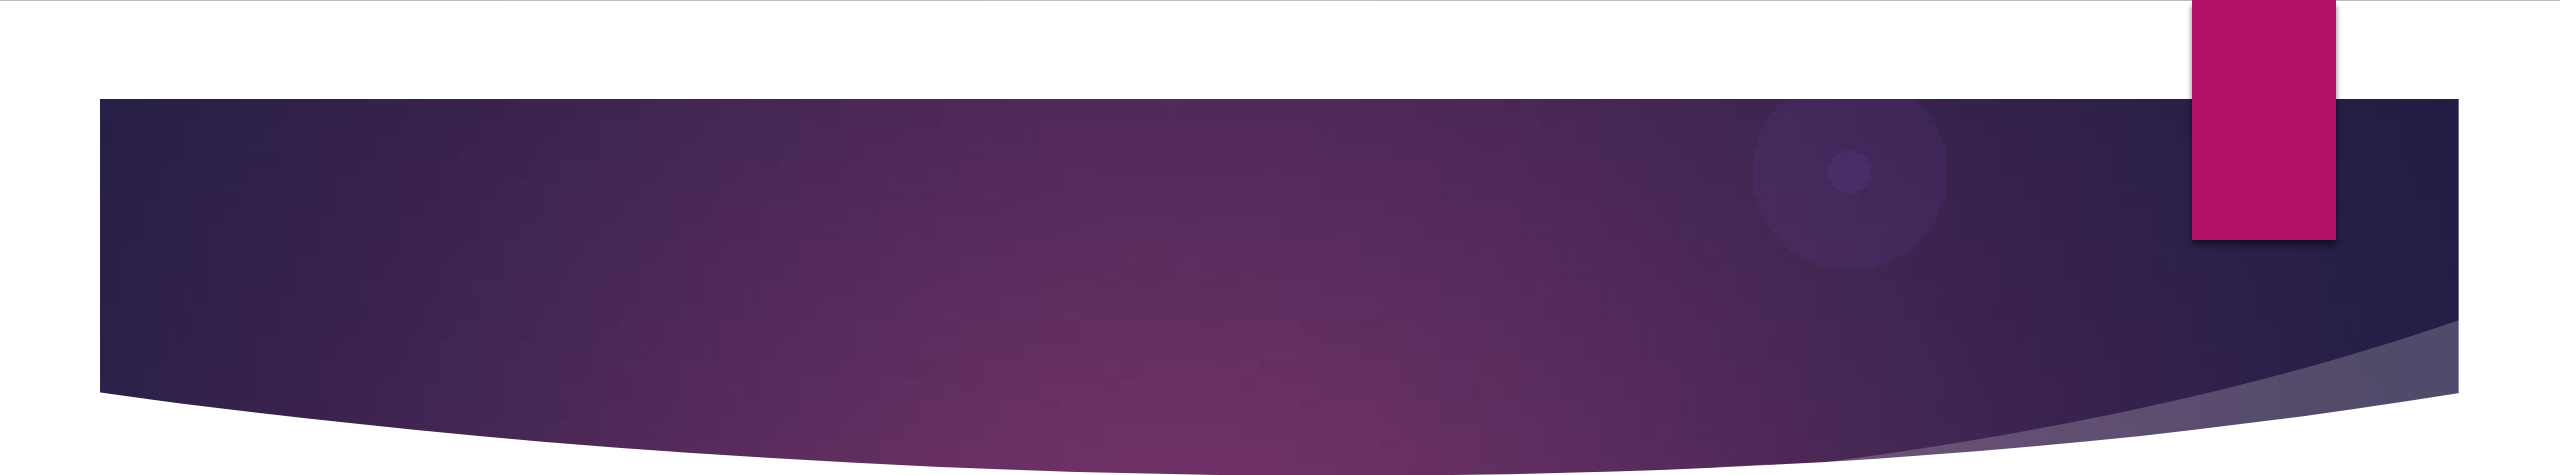

Vision

‘Dreams are the aspirations which keeps a person’s hope alive’-If we have the courage to dare to dream , then you are a winner in itself.’

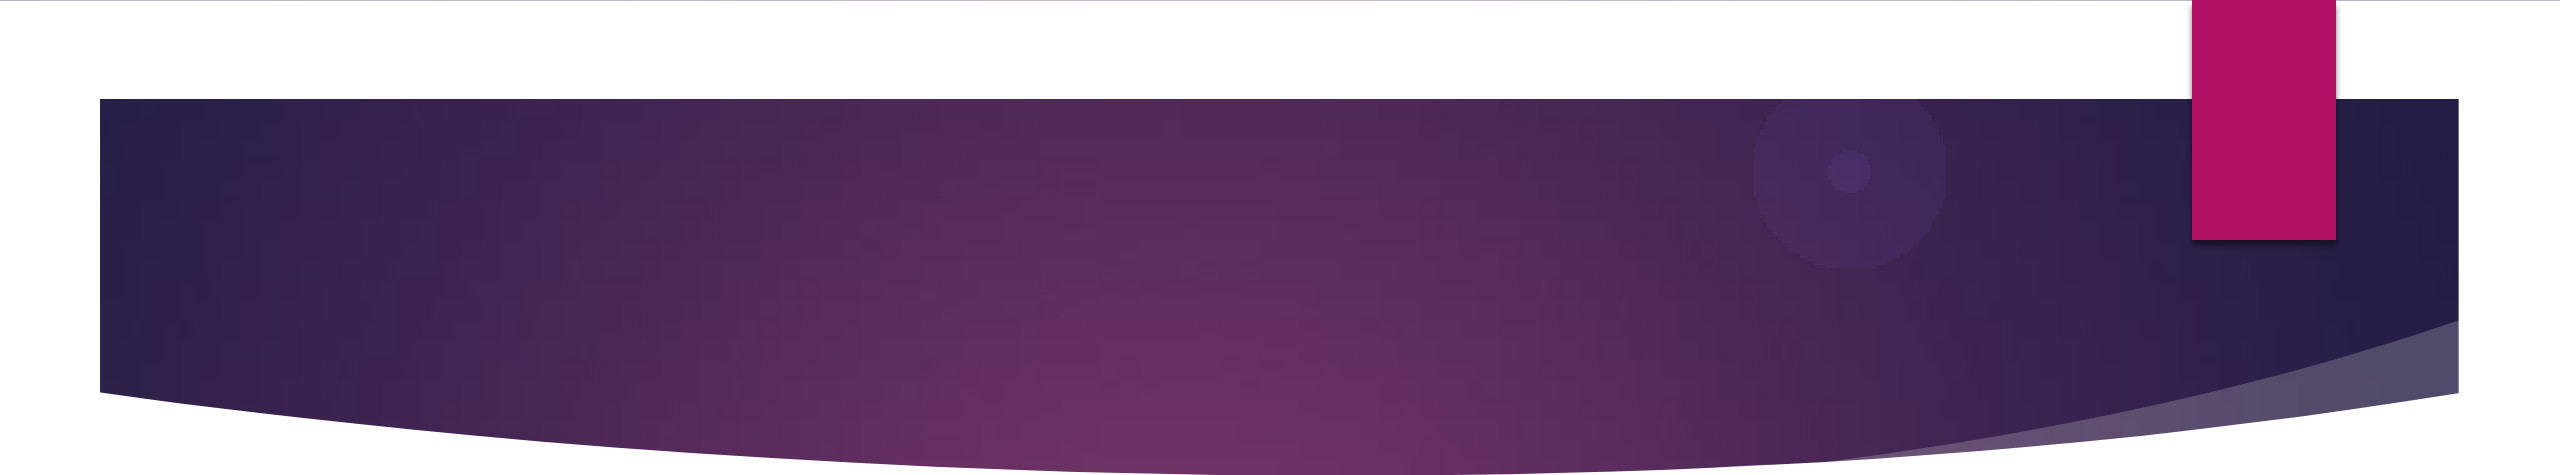

- ▶ Our vision is to creating, and sustaining the conditions that enable all SIETIIE Students, Professionals to experience educational journey that is intellectually, socially, and personally transformative..

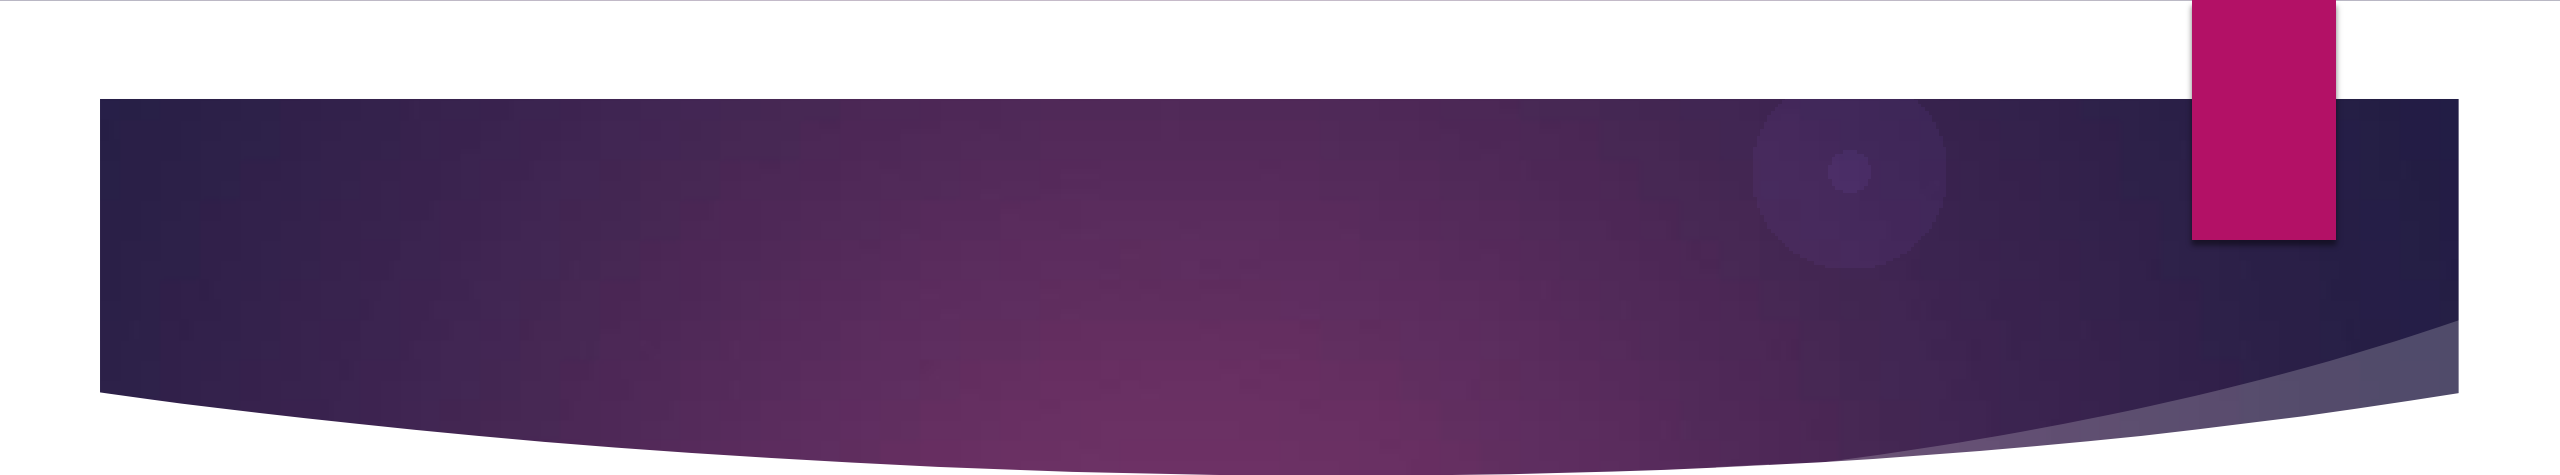

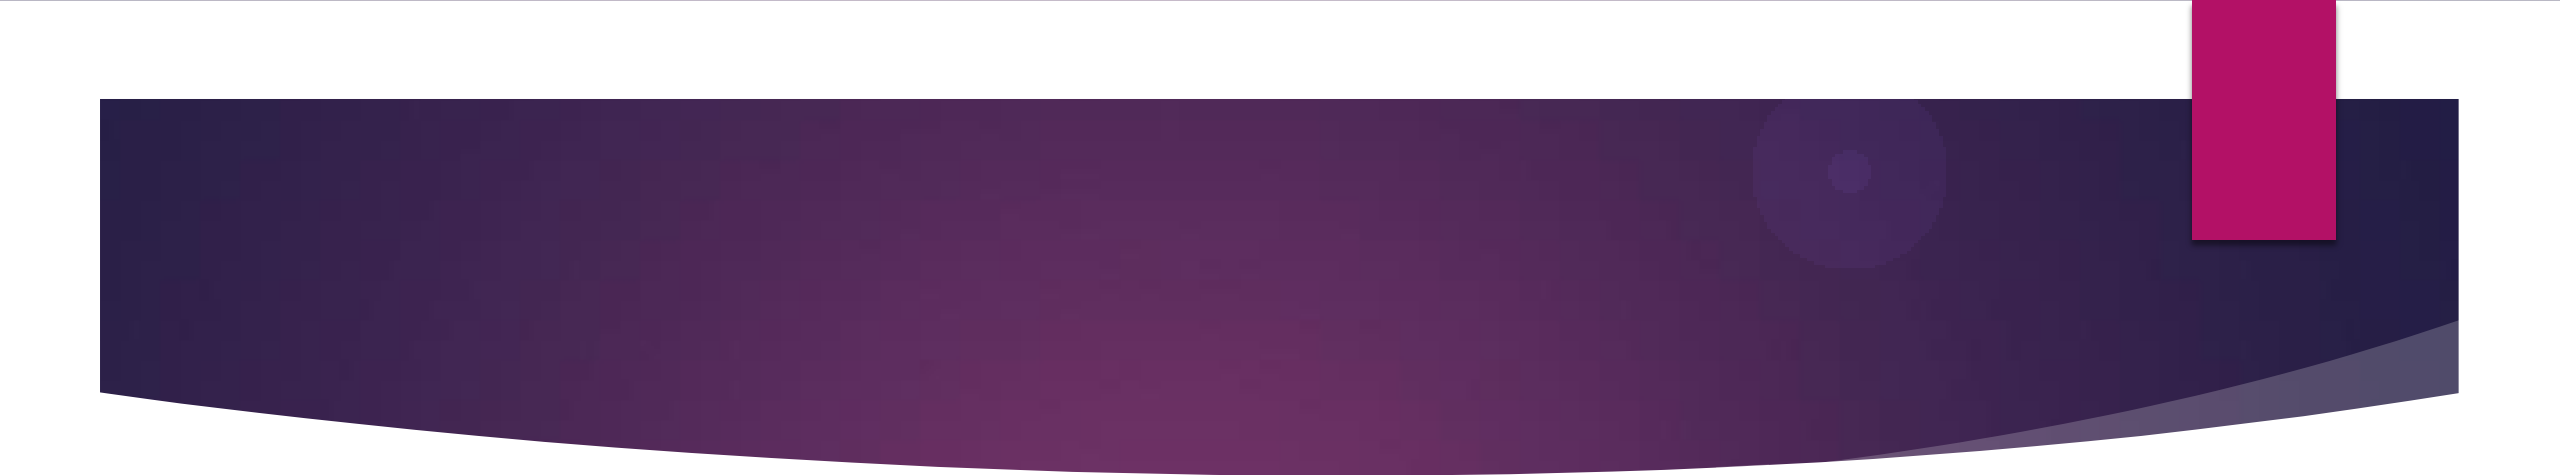

OBJECTIVE

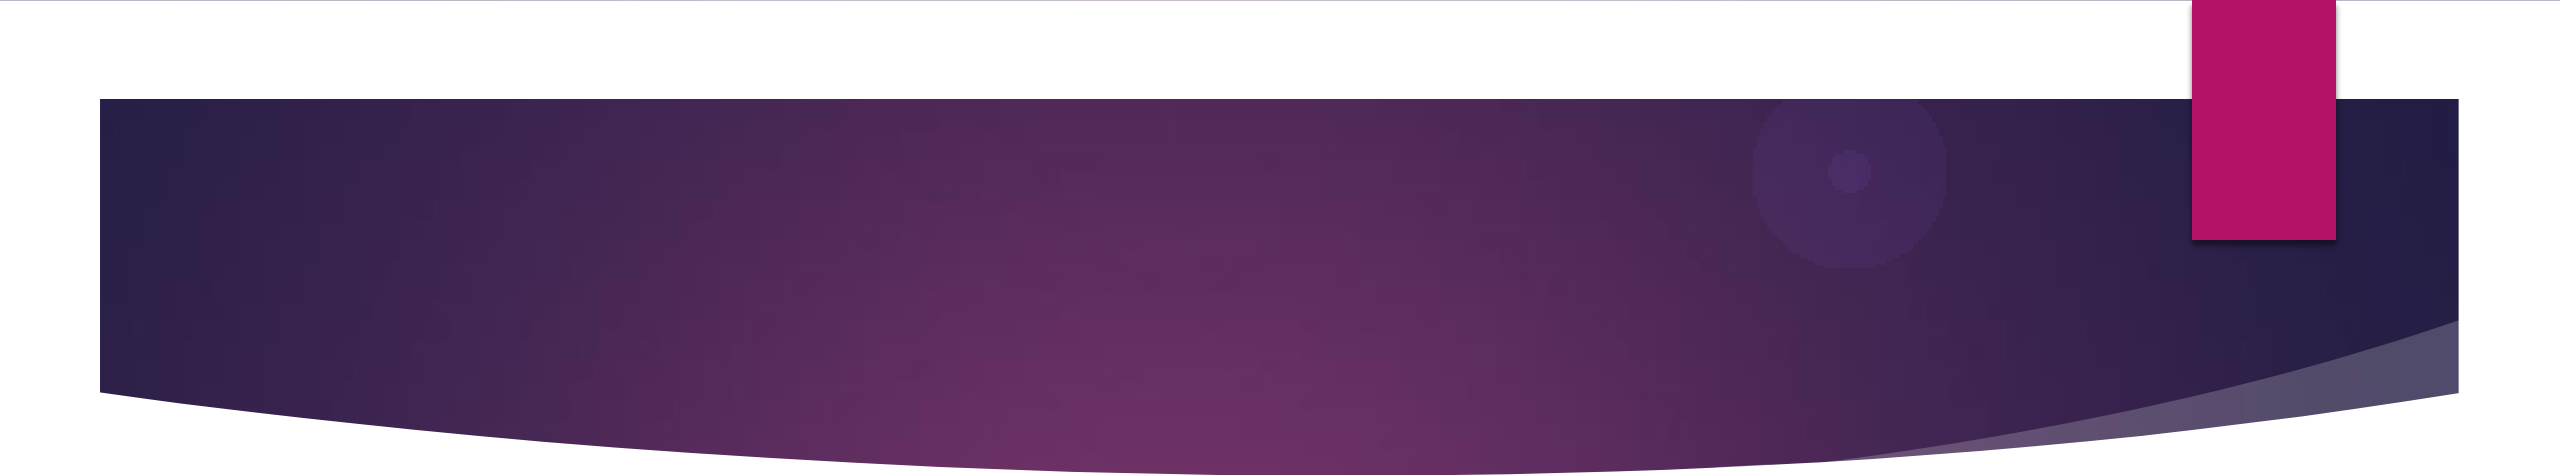

- 
- ❑ The objective of SIETIIE Innovation & Research Organization is to educate the youth, and corporate leaders of our country. We do this with a commitment to reform the education system as per the 21st Century. In which we would like to work on STEM and STEAM concepts, Teacherpreneurs, Industrial Revolution 4.0, Lego Robotics, Student Centric Education, PSAT, GSAT, K12, Artificial Intelligence, PBL and Psychometric Test, Design Thinking, DMIT test for Career counseling, where students, teachers, and parents will begin to design, or reset their lives by gaining sense of what they want to do with their creativity, talents, assessing their values, interest, and learning how they can best serve the world..
